Introduction

Welcome

Thank you for filling the important role of substitute teacher in the Cloverport Independent Schools. We welcome you as an important instructional partner.

Substitute teaching is a challenging task. From frequent early morning calls, to spending your working day in new and different situations with very little time to prepare, your resourcefulness and organizational skills will be tested. Our community expects the best for the students, including a chance to work with caring and skilled adults, and you have been chosen as one of those individuals.

The purpose of this handbook is to acquaint you with policies and procedures of the Cloverport Independent Schools that govern and affect your employment as a substitute teacher and give you some basic information that will better allow you to serve the children in a skilled, professional manner.

This handbook is not intended to be, and should not be interpreted as, a contract or a source of any claim or expectation to employment as a substitute. It is *not* an all-encompassing document and may not cover every possible situation or unusual circumstance. If a conflict exists between information in this handbook and Board policy or administrative procedures, the policies and procedures govern.

Some policies may be associated with specific forms. It is the substitute employee's responsibility to refer to the actual policies and/or administrative procedures for further information.

Copies of specific documents are available at the Central Office and in the Principal's office. Employees and students who fail to comply with Board policies may be subject to disciplinary action. Policies and procedures also are available online via the District's web site or through this Internet address:

<http://policy.ksba.org/c15>

Substitutes are expected to be familiar with policies related to his/her job responsibilities.

01.5

In this handbook, **bolded numerical codes** refer to the Board policy or administrative procedure that addresses a particular item. Substitute employees with questions should contact the school Principal or designee.

District Vision

All students' life ready and 21st century prepared.

District Mission

To engage all learners and educators by building communities of learning, utilizing effective 21st century strategies with personalized learning.

Future Policy Changes

Although every effort will be made to update the handbook on a timely basis, the District reserves the right, and has the sole discretion, to change any policies, procedures, benefits, and terms of employment without notice, consultation, or publication, except as may be required by contractual agreements and law. The District reserves the right, and has the sole discretion, to modify or change any portion of this handbook at any time.

General Information

Substitute List

Approved substitute teachers will be placed on a call list. When possible, substitutes are called to teach in fields for which they are most qualified.

When a substitute is needed, school office staff will make the contact.

Length of Assignment

Substitutes are called to serve for a certain time frame and, when possible, the same substitute may be used when a teacher is to be absent on consecutive days.

A substitute is expected to follow the same hours of duty and fulfill the same assignments as the regular teacher. The substitute will continue to report for duty until relieved by the Superintendent or building administrator. **03.4**

School Day

Students		Substitute Teachers	
Elementary	7:50 a.m. -2:40 p.m.	Elementary	7:30 a.m. -3:00 p.m.
Middle	7:50 a.m. -2:40 p.m.	Middle	7:30 a.m. -3:00 p.m.
High	7:50 a.m. -2:40 p.m.	High	7:30 a.m. -3:00 p.m.

Substitutes are not allowed to leave their job assignments during duty hours without the express permission of the Principal/designee.

When possible, substitutes shall be on duty no later than 20 minutes before students are scheduled to arrive and shall remain in the building at least 20 minutes after the dismissal time for students. **03.1332**

Substitutes working on an extended assignment shall attend meetings called by the Superintendent, building Principals, Supervisors or their designees. Absence from staff meetings must have approval of the administrator who called the meeting. **03.1335**

Regularly scheduled faculty meetings will be held on the second and fourth Tuesday of every month at 3 pm in the high school computer lab. Additional faculty meetings may be called as needed.

Volunteer and Visitor Sign-In

All visitors and volunteers will sign-in at the front office upon entry to the building. They will also be given a badge to wear during their time in the building. If you see volunteers or visitors in the building without a badge, please direct them to the front office to sign in. Sign-in exceptions will be made on the first and last day of school as well as assemblies/events where the community is invited.

Emergency Closings

In case of inclement weather or other emergencies that cause school to be called off or delayed, information will be broadcast on designated radio and TV stations. Substitutes are responsible for checking for these announcements. **06.21/08.33**

Lesson Plans

Substitute teachers shall follow daily lesson plans as outlined by the regular teacher and shall leave a written record of the work completed during their length of duty. **08.212**

If no lesson plan has been left, the substitute shall confer with the Principal or a fellow teacher as to how to proceed. If the assignment is to span more than one (1) day, the substitute should request from the Principal the basic format s/he is required to follow in developing a plan for the second and subsequent days.

Restroom/Hall Passes

Students in grades P-K shall always have a staff member with them if they are in the halls or going to the restroom during instructional time.

Students in grades 1-3 may have a classroom hall pass or adult supervision if they are in the halls or going to the restroom during instructional time

Students in grades 4-12 must have their signed agenda book with them if they are in the halls or going to the restroom during instructional time.

Every effort should be made to keep students in class during instructional time.

Office Referrals

A completed Office Referral form must accompany students sent to the office. If the principal or designee is unavailable, the referral sheet will be kept in the office and the student will be detained. The principal or designee will handle the matter as soon as they become available. At no time should students be sent to the office to complete classroom tasks—there is no one to supervise their work progress and there are too many distractions in the office area. In cases of severe misconduct, students should be escorted to the office.

Media Center

The media center is open to the public from 12:30-4:30 pm daily. Please be mindful of the public during this time.

If you need to schedule time for your class to come use the media center as a large group, please schedule through Mrs. Cliburn.

Many teacher professional resources are available for check-out from the Media Center. If you have need of materials related to a specific topic, please contact Mrs. Cliburn.

The school media center will open for students at 8:00 each morning and close for students at 2:30 each day.

Classroom Management

Although the following general classroom management guidelines are not intended to be all-encompassing, substitutes are expected to follow them unless otherwise directed by the school administrator. It is our expectation that all pre-approved classroom and school behavior plans will be followed.

- Be prepared to make adjustments for any unusual changes in school schedules such as fire drills, altered class schedules or activities for the day. Each room in the school has emergency procedures posted or otherwise made available in case of fire, earthquake, tornado, lockdown or other potentially dangerous situations. Look for this information and review it prior to the beginning of the school day.
- It is the responsibility of the substitute teacher to check with the Principal/designee to determine if any of the day's assigned students have accommodations under an Individual Education Plan (IEP) or 504 plan and implement plan provided.
- Implement drill/evacuation plans.
- Display your name where it can easily be seen by all students. Take time before beginning lessons to tell the class briefly about yourself.
- Let the class know that you will try to follow the normal classroom routine, but also let them know that everyone does things somewhat differently.

- Ask the students questions: their names, classroom rules/procedures. The time spent getting oriented and becoming familiar with the class may make a difference later in the school day.
- Keep a positive attitude. Be positive in your remarks to students. When you are circulating around the room (a proven and effective management technique) comment to students on task.
- Try to be sensitive to differences.
- Any unusual requests from parents or students should be handled by the Principal/designee.
- Correct the day's work when possible. Organize any student papers and label them clearly.
- Write a complete, succinct review of the day's activities. Be sure to indicate portions of the lesson plan that may not have been completed. Mention individual students who may have been particularly helpful; list any problems that may have arisen.
- Leave the classroom in good order.
- Substitutes teachers shall not do the following:
 - ☒ Make/take personal phone calls during class time;
 - ☒ Use the internet for personal use; or
 - ☒ Engage in personal tasks such as reading, knitting, etc.

Evaluation of Substitutes

The Principal or regular teacher will complete a substitute evaluation form as required by Board policy and/or District or school procedure.

What if . . .

Unexpected activities can be experienced during a school day and substitute teachers need to be prepared to handle all situations. Following is information about the District's procedures for several drills, lockdowns, and other emergencies. It is the responsibility of the substitute to identify the specific directions that apply to the room/area in which s/he is teaching.

FIRE

Faculty/staff shall:

1. Post in each room and discuss with each class rules for fire evacuation, including student responsibilities. These will include directions on the exits, alternative exits, and the outdoor evacuation area(s).
2. Close all classroom windows and doors before leaving.
3. Turn off all lights and gas jets in the room.
4. Maintain order during the evacuation and arrange assistance for students with disabilities.
5. Take roll book and check roll when the class is in its evacuation area. No person is to remain in the building during a fire drill.
6. Report to the Principal any student who is missing. **05.41 AP.1**

BOMB THREAT

The faculty and staff shall:

1. Post in each room and discuss with each class rules for bomb threat evacuation, including student responsibilities. These will include directions on the designated exits, alternative exits, assigned evacuation area(s), and designated safety precautions such as a ban on cell phone or radio use during a bomb threat drill or evacuation.
2. If a written bomb threat is received, the employee receiving it should preserve it for investigation by the police for possible fingerprints by handling it as little as possible while placing it in a protective envelope.
3. Maintain order during the evacuation and arrange for the assistance of students with disabilities. Leave doors and windows open.
4. Scan the area noting any items that appear to be out of place, and report same to Principal/designee. Do not touch or move any unusual items, but notify the head of the search team.
5. Take roll book and check roll when the class is in its evacuation area. Other than adults authorized to check the premises, no person is to remain in the building during a bomb threat or bomb threat drill.
6. Report to the Principal any student who is missing. **05.43 AP.1**

TORNADO/SEVERE WEATHER

The faculty and staff shall:

1. Utilize designated safe areas during a tornado/severe weather drill or warning.
2. Instruct students in the procedures to be used during a tornado/severe weather drill, watch, or warning.
3. Maintain order during the drill, watch, or warning and arrange assistance for students with disabilities.
4. Require students to use one of the following positions, as appropriate:
 - a. Rest on knees, lean forward, cover face by crossing arms above face.
 - b. Sit on floor, cross legs, cover face with folded arms.
