COVID-19 Guidance for In-Person Learning

July 30, 2021

The below guidance is based on the Centers for Disease Control & Prevention's "[Guidance for COVID-19 Prevention in K-12 Schools](#)" and Kentucky Public Health's "[Guidance for K-12 School Operations for In-Person Learning](#)". It is subject to change as CDC and KPH guidance is updated.

Vaccination

Vaccination against COVID-19 is currently available to all individuals ages 12 and over. We highly encourage staff and students meeting this age requirement to get vaccinated. Locally, vaccination is available by appointment at the following:

- Breckinridge County Health Department (270-756-5121)
- Breckinridge Primary Care (270-580-2250)
- Cloverport Health Clinic (270-788-3000)
- McDaniels Family Clinic (270-902-4411)
- Patel Medical Center – Hardinsburg (270-756-2121)
- Patel Medical Center – Irvington (270-547-7161)
- St. Camillus Urgent Care (270-580-4778)

Masks

All staff, students, and visitors (whether vaccinated or not) are required to wear a mask while indoors at the school campus or on the bus.

Physical Distancing

To the greatest extent possible, physical distance of at least 3 feet will be maintained in all indoor settings.

Isolation

We ask that parents keep their children home if they display any of the following symptoms:

- Fever or feeling feverish (e.g., chills, sweating)
- New cough
- Difficulty breathing
- Sore throat
- Muscle aches or body aches
- Vomiting or diarrhea
- New loss of taste or smell

Students displaying any of the above symptoms at school will be isolated and sent home.

Quarantine & Contact Tracing

We will work with the Breckinridge County Health Department and state contact tracers to determine when close contact with a positive COVID case has occurred and to what extent quarantine is necessary, if at all.

Cleaning & Disinfection

The district will continue a rigorous cleaning and disinfection regimen, including frequent disinfection of high touch surfaces.
