Keith Haynes, Superintendent

November 2, 2020

CISD Families,

Upon our return to in-person classes on October 12, 2020, I assured you that I would be as transparent as possible with you regarding positive COVID-19 cases at school. We were notified today that a member of the CISD family has tested positive for the virus and is in self-isolation. He/she did not contract the virus at school. This individual has limited interaction with staff and students and was last on campus on Thursday, October 29, 2020. All staff and students who were in direct contact with this individual are now in quarantine. If you have not been contacted by Mr. Adcock or me, then your child is not a direct contact.

As always, I appreciate your cooperation in complying with health and safety guidance here at school. Our continued vigilance in fighting this pandemic is more important than ever!

Respectfully,

Keith Haynes
CISD Superintendent
